

## SUFFRAGE LOSES IN THE SENATE

By a Vote of 53 to 31 Failed  
of a Two-Thirds  
Majority

NECESSARY TO  
ADOPT RESOLUTION

Chairman Jones Changes  
Vote That He May Ask  
Reconsideration

Washington, Oct. 2.—Woman suffrage was beaten yesterday in the Senate. By a vote of 53 to 31, the Senate failed to give the two-thirds majority necessary to adopt the resolution passed by the House submitting to the states the Susan B. Anthony suffrage amendment to the federal constitution.

Before the vote was announced, Chairman Jones changed his vote from aye to no, in order to ask that the vote be reconsidered and the resolution left pending.

### RANDOLPH

The remains of the late Mrs. Charles Hayward were brought here from Braintree on Tuesday and burial was made in the new cemetery.

Mrs. Nellie Morse of Waterbury Center, who has been with her daughter, Mrs. Ernest McIntosh, for several days, left on Tuesday morning for her home. Mrs. Emma Blakely, who for several years has been employed in a store in Newport, came last Friday to remain with her mother, Mrs. L. J. Blakely, for a time till such time as she gets stronger and improves in health.

Mrs. Tullar of Tunbridge, after a few days' stay with her sister, Mrs. Blakely, returned to her home in Tunbridge on Tuesday.

Miss Mae Ladue, who teaches in Tunbridge, came home for a few days, her school having been closed till such time as the grip abates and session of school can be resumed again with safety.

News has been received here of the death of Carroll Wadleigh at Camp Devens with pneumonia. It was thought on Sunday that he was more comfortable and there were hopes of his recovery but he soon grew worse and died Monday. Carroll was the son of Mrs. C. R. Steele, grandson of Mr. and Mrs. John Wadleigh and nephew of Mrs. H. M. Totman and Miss Jane Wadleigh of this place, and his childhood and boyhood were passed in this place, where he had many friends.

Mrs. C. J. Stockwell is reported seriously ill with pneumonia, while the other members of the family are improving from their attack of the grip. Several others in town who have been quite ill are improving and it is thought that the disease is diminishing there having been few cases to appear in the last day or two.

## THIS WEEK, NERVOUS MOTHER

Tells How Lydia E. Pinkham's  
Vegetable Compound  
Restored Her Health.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which added to my weak condition kept me worrying most of the time—and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound my husband wanted me to try it. I took it for a week and felt a little better. I kept it up for three months, and I feel fine and can eat anything now without distress or nervousness."—Mrs. J. WORTHLINE, 2842 North Taylor St., Philadelphia Pa.

The majority of mothers nowadays overdo, there are so many demands upon their time and strength; the result is invariably a weakened, run-down, nervous condition with headaches, back-ache, irritability and depression—and soon more serious ailments develop. It is at such periods in life that Lydia E. Pinkham's Vegetable Compound will restore a normal healthy condition, as it did to Mrs. Worthline.

Springfield schools, is at home this week during the cessation of schools there. Mrs. Hazel Brown Warwick of Windsor is passing several days here this week with her parents, Mr. and Mrs. W. W. Brown.

Mrs. W. R. Allen left Tuesday for New England, N. D., where she will visit her daughters and one son who live in that vicinity. Mrs. Allen will be away for several weeks, passing the time with her children.

A son was born Monday night to Mr. and Mrs. Henry Goodell, who live on Forest street.

W. H. Marshall was the guest of G. N. Billings and family Tuesday, stopping off here on his way from Greenfield to Middlesex.

### ACCUSE MALINOFF

Of Concealing Offer of New Spoils to Bulgarians.

Basil, Switzerland, Oct. 2.—Premier Malinoff of Bulgaria is accused by the Strassburg Post of having concealed from the Bulgarian army a decision arrived at by the central powers nearly 10 days ago to turn over the entire province of Dobrudja to Bulgaria.

The newspaper declares such a decision was reached in Berlin on Sept. 23 during the visit of Talaat Pasha, the Turkish premier, but that Premier Malinoff failed to make the decision known to the Bulgarian army "in time to prevent Bulgaria's asking an armistice."

Germans Withdrawing on  
American Left on the  
Verdun Front

STIFF FIGHTING IN  
ARGONNE FOREST

Enemy Appears to Be Fall-  
ing Back on Kreim-  
hild System

With the American Army Northwest of Verdun, Tuesday, Oct. 1 (By the Associated Press).—The enemy to-night appears to be withdrawing on the American left in the direction of the junction of the Brunhild and Kriemhild systems.

In the Argonne forest Americans made progress to-day. East of the forest they are operating north of Clerges and hold positions on the road from Genesee to Exermont. They repulsed a counter attack north of Apremont.

In this district there has been stiff fighting, local positions repeatedly changing hands until the Americans to-day established their supremacy.

The American aerial force has bagged 100 hostile planes and 21 balloons since Sept. 26.

### TO BECOME OFFICERS.

Explanation of Qualifications for Army Commissions Given.

Editor, Barre Daily Times: In connection with the selection of candidates for the central officers' training schools, comprising infantry, machine gun and field artillery, we are instructed by the adjutant-general "to secure through the medium of the local press the greatest possible publicity as to the qualifications of candidates, the method, time and place of presenting applications, the action taken on such applications, the duration and the requirements, so far as known, of the course at the training camps, and the status upon completion of the course of the selected candidates."

In accordance with this order, dated Sept. 28, 1918, the following information is submitted:

Purpose: The purpose of the camps is to qualify men for commissions in the army of the United States. Camps for such training are located as follows: Infantry, Camp Lee, near Petersburg, Va.; for field artillery, Camp Taylor, near Louisville, Ky.; for machine gun, Camp Hancock, near Augusta, Ga.

Qualifications of candidates: Eligibility consists in the following requirements:

Age: Over 18 and less than 46 at date of registration, but no applications will be entertained from civilians who are in deferred classifications on grounds of injury, occupation or employment, including agriculture.

Education: Graduates of high school or those who have pursued an equivalent course of instruction. Candidates for the field artillery and the machine gun schools must possess a thorough understanding and working knowledge of arithmetic, algebra, to include quadratic equations, and plane geometry. A knowledge of trigonometry and the use of logarithms is desirable. Previous technical and scientific education and training as civil, mechanical, electrical, mining or architectural engineers, renders men particularly desirable.

Physical Qualifications: Those required for a commission in the officers' reserve corps. Visual acuity as follows: A minimum of 20-20 in the left eye and 20-40 in the right eye without glasses, correctable to normal by the use of glasses, and normal color perception. The minimum height for otherwise well-qualified candidates is 60 inches.

Nationality: The candidate must be a citizen of the United States not born in any of the countries with which the United States is at war or allies of such countries.

Applications: Candidates possessing the requisite qualifications will apply for information and necessary blank forms to the professor of military science and tactics at the educational institution nearest the residence of the applicant (Norwich university, Northfield, Vt.). This may be done either in person or in writing. The application and other blank forms here furnished must be filled out in detail and must be accompanied by at least three testimonials by reputable persons as to good character, and a record of the physical examination of the applicant, submitted on prescribed form and made by a reputable physician.

The application and the accompanying papers will then be forwarded to the professor of military science and tactics. Upon receipt, each applicant will be notified to appear in person at his own expense, at an appointed time, for a preliminary examination regarding the applicant's qualifications to attend an officers' training school.

After such examination, the application, together with all papers connected with the same will be forwarded to the commanding officer of the appropriate officers' training school. Such applicants as are selected will be notified to appear at the designated training school on a specified date.

Duration of camps: The course of training at the infantry and machine gun schools will be for four months; the artillery school will be for about three months.

Status of Candidates: Civilians in class 1a of the draft will be required to remain in service, but civilians in deferred classifications may, if not found qualified at completion of course, be given option of discharge from service and reversion to original classification under selective service regulations. While at camp candidates will receive the pay of privates (\$30 a month).

Those who successfully complete the course will be listed as eligible for a commission and will be designated "officer-candidates." "Officer-candidates" will be commissioned second lieutenants of the branch of the service for which they have qualified as vacancies may occur, upon recommendation of their commanding officers.

Such publicity as you can give to this notice will be appreciated.
